

Ontario Provincial Trapshooting Association

Gun Club Fund Application

ATA gun clubs are the grassroots for our Association. The momentum of the OPTA starts and ends with the success of our local member gun clubs. If they are not successful, the OPTA is not successful. The purpose of this grant program is to help enhance our affiliate clubs and grant them funds needed to enrich our sport.

Who is eligible for the gun club grants?

- Any active OPTA Affiliate Club may be eligible for a grant.
- Any club that threw a minimum of 5,000 registered targets in the current or previous target year is considered "active" as a OPTA Affiliate Club.

What we expect in return for the gun club grant?

- At a minimum, host a one-day ATA shoot for the next two years.

Kinds of Projects which will be funded:

- A project refers to any NEW activity the gun club is doing to try and promote or better ATA registered trapshooting at their gun club.
- The club might have a specific program they are trying to begin, such as AIM.
- A project also refers to NEW items the club may need to purchase for their club to operate more effectively:
 - o For instance, the club may need to purchase automatic trap machines, new voice release systems, parts for trap machines or new traps
 - o the club may also have a need to invest in new computer equipment or might need to purchase new computer software

How gun club grant proposals are reviewed and decided:

All eligible OPTA Member Clubs will be given the opportunity to apply for funds, up to a maximum of \$1,000 per grant. The Gun Club Fund Application must be completed by April 1st of every year. The OPTA Board of Directors will evaluate all proposals. Those Clubs chosen to receive funds will be announced via email to OPTA members. Clubs that receive funds must submit an update to inform the OPTA explaining how the funding assisted their club. This update is due August 31st of the following year.
