

Intercounty 2020/ 2021

Early Birds

Shooters who take the line for their first field by 9:30 a.m. will have the option to shoot the entire 100 event without having to re-squad for the second 50. If they do not shoot the entire 100 without interruption, they will have to re-squad for the second 50.

Shoot Ahead/Make Up

Shooters will have the option of shooting two 100 target events per shoot. The purpose of this is to allow shooters to shoot ahead or make up a missed shoot. You can only shoot ahead or make up for an event at the same club.

Regular Season Added Money Lewis

\$300 added money to each shoot, 3 classes

\$100 to each class, ties divide.

NOTE: You can only qualify for the Lewis on 100 targets per day. If you are shooting ahead or making up, only your first 100 targets will be eligible for the day's Lewis money.

Post Season Lewis

There will be added money to the post season shoot.

\$900 added money, 3 classes

\$300 to each class, ties divide.

To qualify for the Post Season Lewis, shooters must have participated in a minimum of 5 shoots and shot at the 100 targets thrown in the event. For example, if a shooter only shoots 50 targets of the program that day, it will not count towards the 5 shoots required.
