

Silver Horseshoe League 2020-2021 Season

The 2020-21 Silver Horseshoe League season will kick-off at Galt Sportsmen's Club on Sunday, October 18th.

Please note that we must still comply with the public health guidelines of physical distancing, hand washing/sanitizing and the wearing of masks.

Once again we will offer an option to pre squad (at silvertrapeague@gmail.com) however the setup will be a little different than the last shoot.

We will shoot 50 targets (2 rounds of 25) on one trap field.

Three (3) traps will be used.

Theoretically 3 squads will start at the same time i.e Squad 1 on trap 1, squad 2 on trap 2, squad 3 on trap 3, etc.,

Start time at Galt is 9:00 am

We will assume that three new squads will take the line approximately every 30 minutes so plan your arrival accordingly.

Note that Hamilton Angling and Hunting will continue to enter a team for this season even though they are unable to host shoots at this time.

The class/trophy shoot may be an additional shoot on April 18th but that will be determined
