Competitors that are not able to attend a particular shoot will be allowed to shoot in advance on a regular shooting day, at the club holding the next shoot, between the past league shoot and the upcoming event they cannot attend. Competitors must announce their intention to shoot ahead and pay entrance fees in advance of shooting. This shooting ahead will only be allowed **twice** during the season.
Note that this option is meant to accommodate a prior commitment not anticipation of foul weather.
Clubs are under no obligation to provide any special arrangements, outside of regular shooting activities, to provide for this option.

Note: The trophy shoot may be shot in advance for team score but will not be eligible for a class trophy.
